TO HELP SHAPE THE COMMUNITY CHILD & YOUTH WELLBEING SURVEY

THE PROJECT

Our community is developing a Community Child and Youth Well being survey! The survey will be used to gather data on how children and youth (like you) are experiencing life. Waterloo Region gets the chance to develop the survey and test it out, before the survey is used with children and youth across Canada.

The project is a collaboration between UNICEF Canada, Canadian Index of Wellbeing, The Children and Youth Planning Table, Ontario Trillium Foundation, and groups like us!
