Discussion/Check In

Discussion/Check In

- As an individual and as organization – do you have any updates that relate/impact the work of the CYPT?
  - What is your capacity to continue to be engaged? What could engagement look like?
- As a CYPT Support Team, where should our collective energy be going in the next 1-2 years

Children and Youth Planning Table of Waterloo Region

Program Level - Sandbox Group

Program Level

- **Sandbox Group**

- **Objectives**:
  - A shared measure(s) to be used collectively at a program level
  - A process to share this data with collective
  - A mechanism to store this data
  - A 'thermometer' and 'toolbox' of measurement

- **Focus on belonging**

Children and Youth Planning Table of Waterloo Region

Work to Date

- **Focus on belonging measures from validated sources**

- **Survey**:
  - 30 measures from the Youth Impact Survey
  - Considering their usability:
    - CYPT (system) perspective
    - Program perspective

Children and Youth Planning Table of Waterloo Region

Survey Questions

- This question will support the **collective knowledge** of belonging for CYPT

- This question will support my **organization's knowledge** of belonging for those we serve

- This question aligns with the **current impact** our organization/project(s) seeks to have for those we serve

- This question aligns with **future impact** our organization/project(s) seeks to have for those we serve
