Key Message(s)	<p>Belonging is foundational to child and youth well-being. When good things happen related to belonging, other good outcomes are experienced by young people.</p> <p>LINK To: Belonging image on website (Mar 12)</p>	<p>The way society and systems operate keeps certain children, youth and families out.</p>	<p>Quality relationships, connection to others, and experiences of trauma, matter – and they matter right from the beginning of a person’s life.</p>	<p>There exists a power difference between young people and adults, and missed opportunities for young people to be heard and involved in meaningful ways.</p>	<p>When children, youth &/or parents enter the door to any organization serving young people or families, they in turn enter the full system of supports and resources available.</p> <p>LINK To: Annual report 2020</p>
